

Bushel Basket

The Leather Bushel Basket is inspired by old New England orchard baskets. It is constructed of 14-oz. vegetable-tanned saddle leather sourced from the finest American steerhides. It features a drop-in wood bottom in either white oak (perfect for firewood) or aromatic Eastern Red Cedar (ideal for wool blankets and linens).

Available in 22" diameter x 16"H and 24" diameter x 18"H. Leather colors include Natural, Tan, Chestnut, Oxblood, and Black (black thread stitching).

Because of the custom nature of each basket, we are unable to accept returns.
